BROOK SERENE ADDS KEY STAFF TO HENLEY HOTEL

Henley Hotel in Cambridge is the newest addition to the Brook Serene collection of luxury boutique hotels. With five impeccably designed suites and nine handcrafted bedrooms, Henley Hotel perfectly complements the Brook Serene family of boutique hotels with its attention to detail and personalised service.

Brook Serene has engaged the expertise of Kathrine (Kat) Brightwell as Hotel Manager and Steve Carson as Executive Chef. Kat returns to the hotel industry after a time in the food and beverage sector, and Steve returns to the Waikato from gaining experience at luxury lodges around New Zealand.

Kat is looking forward to creating an exceptional experience that makes guests wish to return including greeting guests upon arrival, personalised check-in, offering a superior food and beverage selection and itineraries that matter to each guest.

Steve is focused on preparing nutritious and delicious food that entices the palate and makes you want more of the goodness coming from his kitchen. The onsite gardens and orchards, local farms and markets provide the freshest produce for guests to enjoy. Steve has a cooking style that is modern, clean and crisp, and that offers a flavour profile which surprises and delights from start to finish.

Henley Hotel is easy to access from Auckland and has Hobbiton and Waitomo nearby; with the national velodrome, horse studs, Lake Karapiro and the cycleway on its doorstep. With design details to be admired while you sip a cocktail or coffee in one of the cosy corners or explore the 29 acres of parkland setting, Henley Hotel has much to offer with its screening room, indoor pool, day spa and selection of homemade baked goods all in a setting of comfort expected in a luxury boutique hotel.

“Our team looks forward to sharing this beautiful property with our loyal guests and inviting new guests alike. We are quietly confident Henley Hotel will quickly establish itself as a “must-do” for travellers seeking a luxurious country haven with great kiwi hospitality in the true Brook Serene style,” explains Bruce Garrett, Managing Director of Brook Serene.
