Bruce Garrett, Managing Director of Brook Serene says that “I am thrilled to welcome Nick Juett to the Brook Serene team. Nick comes to us with an enviable background, managing resorts for the likes of Six Senses and Aman, in stunning destinations around the world. This wealth of experience will help Brook Serene further cement Henley Hotel as New Zealand’s finest country manor. Hailing originally from England, now having married a Kiwi, Nick’s hands-on approach and finely developed hosting skills offer the perfect fit for Henley Hotel.”

“With a strong focus on using fresh ingredients within a creative and interesting food programme along with the priority that the guest experiences are positive, creative and fun are key factors that drive Juett. Developing Wellness and Wellbeing in conjunction with Spa facilities is also an area of focus which fits perfectly with this property and our brand,” continues Garrett.
